BEAUTIFY YOUR WORKSPACE

Beautifully your workspace with the stunning Velvet Combo C4 with a rich blend of glossy and piano finish.

Plug-n-play

Setup couldn't be any easier - simply plug the wire to the USB port and start typing, tweeting, blogging right away! Moreover, there are no batteries to worry about.

AN EFFORTLESS TYPING EXPERIENCE

Typing for hours is a breeze with concave keys that position your fingers comfortably to give you a fast and exceptional typing experience. The keyboard supports amazing 10 million switch and mouse with 5 million. Softly rounded keys are pleasing to the touch and facilitate faster keystrokes and quieter typing. With a slim profile, a full-sized layout and adjustable tilts, this keyboard is all about uncompromised comfort.

Sealed, with love

Fabricated with membrane-coated sheet beneath the keys, it scores on durability - thereby protecting the circuit from humidity and moisture.

INCREASED PRODUCTIVITY

An accurate highly-functional mouse is included to complement the modern keyboard perfectly. It fits conveniently in your hands with its contoured edges and silky soft grip that lets you work for long hours without getting exhausted. Designed with a keen eye for detail, the scroll wheel is plated with captivating chromium finish.

Instant Media Access

The full-sized keyboard has 12 soft-touch media controls that lets you play your favourite song or skip to the next tune instantly and even compose new mail quickly. Additionally, the quiet keys barely make a sound, so you can enjoy crystal clear music.
