RGB-Flow C2

FINGERS presents the cabinets of your dreams with **FINGERS RGB-Flow C2**. It's equal parts fun and functional, with a sturdy all-black finish and a scintillating ARGB LED strip that oozes trendy party vibes. Sporting **2 x USB 2.0 ports, 1 x USB 3.0 and Audio + Mic inputs**, it will help get your work done in style. And system heating becomes a thing of the past with a chassis specifically designed to dissipate heat efficiently, with an **8 cm fan bundled** and a well-ventilated side panel. Rest assured, your heavy-duty work will be smoothly sustained by **FINGERS RGB-Flow C2** PC Cabinets.

A New Trend -
PC Cases with ARGB LEDs

FINGERS takes fashionable PC Cases a step ahead with ARGB LEDs.
Your deskspace will never look the same again!

RGB-Flow C2

Micro ATX
Fashion PC Case - Smaller is Better!

RGB-Flow C2 matches the emerging demand and latest international trend of digital miniaturisation. It adds style and saves space while giving a glamourous makeover to your workstation.

Lean but Mean

Along with beauty - enjoy sturdiness, durability, high quality and non-corrosion longevity with a strong chassis structure.

Increased PC longevity

Thanks to efficient ventilation and bundled with high performance SMPS, RGB-Flow C2 increases the longevity of your precious devices and boosts your journey towards peak performance.

Easy and Quick to Assemble

Need for Speed? Exclusively crafted and designed to integrate all the components internally with ease, it hardly takes any time to set up your PC so you can spend time doing what you love most.
